CONFERENCE PAPERS AND PRESENTATIONS

The Resource Curse and Geo-governmentality: Cases from Russia (to be presented in 2011). ASEEES 43rd Convention, Washington, DC. 17th – 20th of November 2011.

Energy and environmental policies in Russia and Geo-Governmentality (to be presented in 2011). Nordic Geographers Meeting, Roskilde 25th – 27th of May 2011.

Governmentality and Environmental Planning in St Petersburg – Birth of a Communicative Regime (2010). VIII World Congress of the International Council for Central and East European Studies, Stockholm 26th – 31st of July 2010.

Välineitä aluesuunnittelun tutkimiseen - Maantieteellinen konstruktivismi ja hallintatapa (2008) [Tools for regional planning research – Geographical constructivism and governmentality]. Presentation of a paper at the Academy of Finland Research Programme Seminar “Power in Finland”, Tampere 27th of May 2008.

Nordregio’s Activities and the Nordic Council of Ministers Exchange Programme for Russian Planners (2007). Presentation at the Conference “Strategic Planning in Russian Cities”, St. Petersburg, Russia 18th – 19th of Oct. 2007.

Planning Rationalities among Practitioners in St. Petersburg, Russia – Soviet traditions and Western influences (2007). Presentation at a symposium “Planning Cultures in Europe” at the HafenCity University of Hamburg on the 29th of June 2007.

Polycentric urban development strategies seen from a Nordic and European perspective (2007). Presentation at the 12th International Conference on Urban Planning and Regional Development and Information Society, Spatial Development Forum, Vienna, Austria 22nd of May 2007.

Environmental Planning in Northwest Russia: Cases of St. Petersburg and Troicko-Pechorsk (2005). Presentation at the conference of ICCEES (International Council for Central and East European Studies), in Berlin, Germany 24.-30.7.2005.

Environmental planning and marginalisation – the example of Troitsko-Pechorsk (2004). Two presentations at the 3rd Northern Research Forum in Yellowknife, North West Territories, Canada 15.-19.9.2004.

Russia’s road to natural resources (2004). Presentation in “Seminar on Russia” at the Northern Dimension Research Centre, Lappeenranta University of Technology 25.-26.8.2004.

Environmental planning and marginality: The Case of Troicko-Pechorsk District, Komi Republic. Presentation at the Third Aleksanteri Conference. "Discovering the Concepts of Nature in Russia: Means for Understanding Russian Culture and Environmental Policies" at the University of Helsinki, 7.-8.11. 2003.

The ecological effects of war on terrestrial and water ecosystems in Kuhmo region, eastern Finland (2003). Poster presentation (together with Juhani Virkanen) at the International Conference on Military Geology and Geography in West Point, NY. 15.-18.6.2003.

Environmental planning in the St. Petersburg urban region and the Karelian Isthmus (2001). Presentation at the 33rd Convention of the American Association for the Advancement of Slavic Studies (AAASS) in Arlington, VA. 15.-18.11.2001.

Environmental planning in St. Petersburg urban region (2000). Presentation during the Geography Days of the Finnish Geographical Society in Helsinki 10.-11.11. 2000.

Water related health risks in the Karelian Republic (2000). Presentation in a seminar “Ecological Modernization in Russia” at the University of Helsinki 25.-27.4.2000.

Environmental epidemiology and GIS: efficient way to evaluate place-pathology (1998). Presentation at the Bioindication '98 – seminar of the International Young Research School in Petrozavodsk, Russia 21.-28.9.1998.
