

## SELF Project

### Code Key: Spoken

1. Recording place: a capital letter is used to identify the place
2. Recording year
  - 7 = 2007
  - 8 = 2008
  - etc.
3. Course: capital letters (starting from A) are used to identify courses recorded in the same place
4. Session (recording number)
  - Numbered according to the recording order: 1...2...3...
  - If the same session continues in a different file: a...b...c...
5. Main event of the session
  - L = Lecture
  - S = Seminar
  - GW = Group work (outside class)
  - I = Interview
6. Specified event(s) of the session
  - v = visiting lecturer
  - gw = group work
  - gp = group work presentation(s)
  - p = student presentation(s) (individual)
  - (os = other spoken)
7. (If presentation is cut out from a file, speaker code numbers are used)
  - S1... S2...

Example:

#### **V8D2Sp**

- ⇒ V = (to identify the place)
- ⇒ 8 = 2008
- ⇒ D = (to recognise a specific course)
- ⇒ 2 = Recording number 2
- ⇒ S = Main event: Seminar
- ⇒ p = Event includes at least one individual student presentation
