About the conference

The 16th International Conference on Organized Molecular Films (ICOMF) in Helsinki, Finland during 25th – 29th July 2016 will provide an excellent opportunity for chemists, physicists, biologists, material scientists, polymer scientists, chemical engineers and researchers in related fields to gather and discuss their latest results in the field of molecular thin films, nano-objects, nanostructures and bio-inspired systems, and to develop and extend international collaborations.

Plenary speakers

- Chunhai Fan, Shanghai Institute of Applied physics
- Hiroshi Imahori, Kyoto University
- Maarit Karppinen, Aalto University
- Avi Ulman, NYU School of Engineering

Invited speakers

- Antonella Badia, Université de Montreal
- Renata Bilewicz, Warsaw University
- Manfred Buck, University of St. Andrews
- Luciano Caseli, Federal University of São Paulo
- Patrick Guenoun, Le CEA
- Edward Hæggeström, University of Helsinki
- Takaaki Manaka, Tokyo Institute of Technology
- Daniel Mandler, The Hebrew University of Jerusalem
- Luisa Torsi, University of Bari "Aldo Moro"
- Andrey Turchanin, Friedrich-Schiller-Universität Jena
- Tetsuya Yamamoto, Nagoya University
- Wenke Zhang, Jilin University

Scope of the conference

- Langmuir and Langmuir-Blodgett Films
- Self-assembly and Nanoscale Organization
- Biological and Bioinspired Systems
- Membrane and Polymer Films, Multilayers
- Inorganic Thin Films and Multilayers
- Graphene and Carbon Materials and Devices

Organizing committee

- Tapani Viitala and Marjo Yliperttula, University of Helsinki
- Elina Vuorimaa-Laukkanen and Helge Lemmetyinen, Tampere University of Technology
- Lasse Murtomäki, Aalto University
- Jouko Peltonen and Petri Ihalainen, Åbo Akademi University

International advisory committee

- Carlos Constantino, Brazil
- Christine DeWolf, Canada
- Xi Zhang, China
- Agnès Girard-Egrot, France
- Michel Goldmann, France
- Andreas Terfort, Germany
- Mitsumasa Iwamoto, Japan
- Masatsugu Shimomura, Japan
- Hoon-Kyu Shin, Korea
- Piotr Cyganik, Poland
- Rigoberto Advincula, USA

Participation fees

- Academic attendee: 560 €
- Student attendee: 240 €
- Accompanying person: 100 €
