

PREMISES AND FACILITIES

The present library building was opened to the public in 1998. Terkko's main building houses the collections areas, a periodicals room, reading rooms and spaces, two computer classrooms, three group work rooms and an AV-equipped auditorium. The library provides some 40 computers for information retrieval and PC work.

OPENING HOURS
Mon-Thu 9–18, Fri 9–16
Opening hours on holidays and in summer are announced separately.

WHO INFORMATION SERVICE
Terkko is the Information Service Centre for the World Health Organisation in Finland.

MEILAHTI CAMPUS LIBRARY TERKKO

Terkko serves students and researchers at the University of Helsinki, personnel of HUCH and all those who need medical and health information.

Welcome!

UNIVERSITY OF HELSINKI
HELSINKI UNIVERSITY LIBRARY

COLLECTIONS

The library's collections contain about 8 500 e-journals and 10 000 eBooks. Electronic resources are available on the net of Helsinki University or HUCH.

The library's printed collections include about 80 000 volumes of medical journals and 64 000 books; textbooks in medicine, monographs in medicine and health sciences, dissertations and official publications.

Electronic resources are available in **Terkko Navigator** and Helka-database. In **Helka-database** will be found Terkko's printed material, too.

SPECIAL COLLECTIONS:

- **LUX HUMANA**
A special humanities collection for medical students and health professionals.
- **WHO**
Terkko serves as the Information Service Centre for the World Health Organisation in Finland.

ELECTRONIC SERVICES

- **TERKKO NAVIGATOR**

- **MEDIC**
Finnish health sciences database
- **DIGITAL COURSE LIBRARY**
for students of the faculty
- **SCHOLAR CHART**
real time service of medical publications by Finnish researchers
- **TOP CITED ARTICLES @ UH**
the most cited articles in the University of Helsinki

USER TRAINING AND GUIDANCE

In Terkko you can

- participate in courses and presentations
- get help and guidance in information retrieval
- make a request for information retrieval (chargeable)

Courses focus on information retrieval in databases, electronic journals, reference database management and other digital sources. Courses can be tailored for the special needs of customers. We also arrange presentations on the electronic services of Terkko for the staff of the University of Helsinki and Helsinki University Central Hospital.
