October 2007); UNAM, Mexico City (28 March and 29 March, 2007); Invited Address on the occasion of Spiro Latsis's Honorary Doctorate at the University of Witten/Herdecke, Germany, 11 November 2006); University of Morelia, Mexico (October 2006); University of Veracruz at Xalapa, Mexico (October 2006); University of Warsaw, Poland: "Five Lectures on Economic Methodology" (2-6 October 2006); Manchester University (April 2006); Lund University (March 2006); Freiburg University (June 2005); University of Tampere (April 2005); University of Athens (November 2004); University of Veracruz at Xalapa, Mexico: "Models, assumptions, explanations" (5-9 July 2004); Université de Aix-Marseille III, June 2004; University of Amsterdam (November 2003); Universidad Autonoma de Madrid (May 2003); Bank of Austria, Vienna (lecture and moderation of workshop discussions on truth in economics, 18 October 2002); State University Higher School of Economics, Moscow (four lectures on the philosophy of economics, 21-25 May, 2002); Norwegian School of Economics, Bergen (16 April, 2002); University of Helsinki, Department of Sociology (30 November, 2001); Ludwig-Maximilian-Universität München (17-18 July, 2001); University of Paris I Sorbonne-Pantheon (June 2001); Tilburg University (9 November, 2000); Université Federal du Rio de Janeiro, Brazil (20 October, 2000); Universidade de São Paulo, Brazil (18 October, 2000); University of Lund, Sweden (2 October, 2000); University of Veracruz at Xalapa, Mexico: "What drives and persuades economists: Seven Lectures in the Philosophy of Economics" (14-24 June 2000); University of Helsinki, Department of Philosophy (4 May, 2000); Max Planck Institute (Jena, Germany, 8 February, 2000); Summer School on the Philosophy of Economics (San Sebastian, Spain, 22-28 July, 1999); Utrecht University (May 1999); European Forum Seminar on "Science, Pseudo-Science, and Anti-Science", six sessions taught jointly with Alan Musgrave (Alpbach, Austria; August 1998); High Council of Scientific Research of Spain (keynote speech at a workshop in the research programme on "Science and Values" in Madrid; May 1998); University of Groningen; Budapest University of Economic Sciences (three lectures; December 1997); University of Amsterdam (1995); Tinbergen Institute; University of California at Riverside (two seminars, April 1994); University of California at Davis (May 1994); Université du Québec à Montréal (November 1993); Karl-Franzens-Universität Graz (two lectures, February 1993); Simon Fraser University (January 1993); University of California at Berkeley (Department of Geography, January 1993); Department of Economics, April 1994 and May 1994); Stanford University (January 1993); State University of California at Fresno (one day of lectures, January 1993); Shanghai Tongji University (June 1992); Hong Kong Institute of Economic Science (June 1992); World Institute for Development Economics Research (May 1992); New York University (November 1985, March 1986); Duke University (Department of Economics, April 1986, November 1993; Department of Philosophy, December 1993); University of Stockholm (April 1991); University of Uppsala (Departments of Economics; Philosophy; Sociology; Geography; 1990-1991); The Swedish Collegium for Advanced Study in the Social Sciences (1990-1991); The Philosophical Society of Uppsala (1991); Consumer Research Centre; Tampere University of Technology; Helsinki School of Economics (Departments of Accounting; Management; Methods; the Post-Graduate Program); University of Helsinki (Department of Philosophy; Faculty of Agriculture and Forestry); University of Tampere; University of Oulu; University of Joensuu.

Supervising and examining

Erasmus University of Rotterdam, Departments of Philosophy and Economics:
Thesis examination and supervision (1998 -). 12 PhD theses supervised of which completed by 2008: Jorma Sappinen, Gülbahar Tezel, Frank Hindriks, Caterina Marchionni, Ana Santos, Roberta Muramatsu, Aki Lehtinen
Membership in PhD examination committees:
Peter Sas, Elma van de Mortel, J. van Oosterhout, Emrah Aydinonat, Alessandro Lanteri, and more

University of Helsinki, Department of Philosophy:
Public examination of a PhD thesis as opponent: Petri Ylikoski (2001); Jakke Holvas (2009)

Groningen University:

Thesis supervision (2001-2007) and member of examination committee

Menno Rol, *Conceptual Progress in Economics. Abstraction of Social Kinds versus Idealization*

University of Ghent, Belgium

Pre-examination of PhD thesis by Rogier De Langhe (2010)

Universidad Autonoma de Madrid, Spain:

Public examination of a PhD thesis as committee member (2003): David Teira

Louvain-la-Neuve, Belgium:

Public examination of a dissertation as committee member (January 2006)

Christian Arnsperger

University of Cape Town, South Africa:

External examiner of a dissertation (June 2002)

University of Mannheim, Germany:

PhD thesis supervision (1999-2000)

Lund University, Sweden

Public examination of a dissertation as sole opponent (March 2006): Fredrik Hansen

Public examination of a dissertation as sole opponent (October 2000)

University of Auckland, New Zealand:

External examiner of a PhD thesis (1997).

University of Joensuu, Finland:

PhD thesis supervision. Public examination (with Robert Sugden) of a PhD thesis (1997).

Timo Tammi

Lappeenranta University of Technology, Finland:

External examiner of a PhD thesis (1995).

Kalevi Kyläheiko

The Finnish Postgraduate Program in Economics:

Coordinator of the Workshop on Economic Methodology, including thesis supervision (1990--)

The Nordic Postgraduate Program in Economics:

Coordinator of the Workshop on Economic Methodology, including thesis supervision (1992--)

The Tinbergen Institute, The Netherlands: Supervision of PhD theses.

The Swedish School of Economics: Thesis supervision.

University of Helsinki, Department of Economics: Thesis supervision.

Helsinki School of Economics: Thesis supervision.

Teaching experience

Erasmus University of Rotterdam, Department of Philosophy:

Theories of Truth and Truth of Theories (1997, 1998, 2000, 2002; 2003; 2006); The Words of Science (jointly with Deirdre McCloskey, 1996); Recent Developments in the Philosophy of

Science (1996); Scientific Realism and the Social Sciences (1996, 1997); Social Ontology (1998, 1999, 2000, 2004 (jointly with Frank Hindriks)); Scientific Explanation (1999, 2001, 2002, 2004); Social Constructivism (2003); Unity and Disunity: Metaphysical and Scientific (2005); Scientific Realism (2005).

Erasmus University of Rotterdam, PhD Programme in Philosophy and Economics:
Advanced Philosophy and Methodology of Economics (1997, 1998, 1999, twice in 2001, 2003, 2004, 2005, 2006)

University of Warsaw, Poland:
Lectures on Economic Methodology (15 hrs, October 2006).

Beidaihe, China. Training Programme for Centres of European Studies in China. Lectures on the methodology of science (16 hrs, October 2005).

Université de Aix-Marseille III, Aix-en-Provence, France. Lectures on the Philosophy of Economics (June 2004).

State University Higher School of Economics, Moscow, Russia
Lectures on the Philosophy of Economics (16 hrs, May 2002; 16 hrs, May 2003);

University of Veracruz at Xalapa, Mexico:
"What drives and persuades economists: Lectures in the Philosophy of Economics" (21 hrs, June 2000); "Models, assumptions, explanations" (20 hours, July 2004).

Summer School of the Basque University, on "Economics at the End of the Millennium: Pondering Progress", San Sebastian (July 1999)

The Tinbergen Institute, The Netherlands:
Lectures on "The economics of institutions and the institutions of economics" (1994); Course on Advanced Philosophy of Economics (1997)

University of Helsinki, Department of Economics:
Introductory Microeconomics (1982); Introductory Macroeconomics (1982); History of Economic Thought (1983, 1984, 1987, 1988); Methodology of Economics (1980, 1982, 1983, 1984, 1985, 1987, 1988, 1989).

University of Helsinki, Department of Philosophy:
Philosophy of Economics (2011) (joint with Jaakko Kuorikoski and Aki Lehtinen);
Interdisciplinary Encounters (Spring 2007); Introduction to Scientific Method (1978, 1979, 1980); Advanced Course in the Philosophy of Science (1978, 1979, 1980).

Aalto University School of Economics:
Philosophy of Economics (2011) (joint with Jaakko Kuorikoski and Aki Lehtinen);
Postgraduate Course on the Methodology of the Social Sciences (1979, 1980, 1981, 1982, 1983, 1984, 1986, 1987, 1988, 1990, 1992, 1993); Course on Methodology of Economics (1980);
Course on Philosophy of Science for Economists and Business Students (1982).

Summer University of Helsinki:
Course on Methodology of the Social Sciences (1977, 1978, 1979, 1980, 1981, 1982).

University of Joensuu:
Course on Methodology of Economics (1984, 1985, 1988).

University of Vaasa:

Course on Philosophy of Science (1983); Postgraduate course on the theory of science for students in business studies (1992).

University of Tampere:

Course on Methodology of Economics (1984).

University of Oulu:

Postgraduate course on the theory of science (1991).

University of Lapland:

Postgraduate course on the theory of science for social scientists (1992).

Helsinki Nursing School:

Lectures on the methodology of scientific inquiry (1984).

Aleksanteri Institute, University of Helsinki:

Lectures on Philosophy of Science in an interdisciplinary PhD Programme (1998)
