Selected addresses

Dr. Ritva Hurri-Syrjänen

NCTS Conference on Fractional Integrals and Related Phenomena in Analysis, National Center for Theoretical Sciences, Taiwan, Online via Zoom link, December 2022

Seminar on Biomathematics and Game Theory Group at Faculty of Mathematics, Informatics and Mechanics, University of Warsaw, Poland, November 2022

Special Session: Analysis of Partial Differential Equations in Memory of David R. Adams at 2022 AWM Research Symposium, University of Minnesota, Minnesota, USA. Online via Zoom link, June 2022

Nonlinear Analysis Seminar, National Taiwan Normal University, Online, April 2022

Corona Seminar on Mathematics, Online, March 2022

International Prague Seminar on Function Spaces, Online, June 2021

Scientific Session: Harmonic Analysis and Differential Equations at Canadian Mathematical Society 75th +1 Anniversary Summer Meeting, Online, June 2021

Geometric Capacity Analysis-Session, Canadian Mathematical Society 2019 Winter Meeting, Toronto, Canada, December 2019

Montreal Analysis Seminar, Concordia University, Montreal, Canada, November 2019

Function Spaces and PDEs, Małe Ciche, Poland, September 2019

Magnitude 2019: Analysis, Category Theory, Applications, Maxwell Institute for Mathematical Sciences, University of Edinburgh, July 2019

Function Spaces, Diffrential Operators, Nonlinear Analysis, FSDONA 2019, University of Turku, Finland, June 2019

Minisymposium: Function Spaces and Applications, International Conference on Elliptic and Parabolic Problems, Gaeta, Italy, May 2019

Perspectives in Modern Analysis, Holon Institute of Technology, Israel, May 2018

The 10th Whitney Problems Workshop, College of William and Mary, Williamsburg, Virginia, August 2017

Complex and Harmonic Analysis III, Conference in Memory of Uri Srebro, Technical-Israel Institute of Technology, Haifa, Israel, June 2017

Around Analysis: Domains and Mappings, University of Jyväskylä, Finland, December 2016

Harmonic Analysis, Complex Analysis, Spectral Theory and all that, Banach Center Conference, The Mathematical Research and Conference Center in Będlewo, Poland, August 2016

Whitney Extension Problems: C^m and Sobolev functions on subsets of $\mathbb{R}^n$, Technion-Israel Institute of Technology, Haifa, June 2016

Whitney Problems Workshop, CIRM-Centre International de Rencontres Mathématiques, Luminy, Marseille, France, October 2015

Complex Analysis and Dynamical Systems VII, Nahariya, Israel, May 2015

Workshop on Function Spaces, Harmonic Analysis and Related Topics, Karlstad University, Sweden, April 2015

Analysis Seminar, Ben-Gurion University of the Negev, Israel, January 2015

Whitney Problems Workshop, College of William and Mary, Williamsburg, Virginia, August 2014

Symposium on Analysis of Partial Differential Equations in honour of Professor Vladimir Maz'ya, University of Liverpool, December 2013

Complex Analysis and Dynamical Systems VI, Nahariya, Israel, May 2013

Workshop: Whitney Problems, BIRS, Banff, Canada, April 2013

link to my talk: Fractional Poincaré and Hardy inequalities, Banff 2013

Analysis Seminar, University of Reading, March 2013

Workshop: Geometric Properties of Solutions of Nonlinear PDEs and their Applications, BIRS, Banff, Canada, July 2011

Complex Analysis and Dynamical Systems V, Akko, Israel, May 2011

Complex Analysis Seminar, University of Cambridge, August 2010

Colloquium, Open University, Milton Keynes, June 2010

Colloquium, St Andrews University, April 2010

Session on Spaces of differentiable functions of several real variables and applications, ISAAC 2009 meeting, Imperial College, London, July 2009

Nordic-Russian Symposium in honour of Vladimir Maz'ya on the occasion of his 70th birthday, Kunglika Tekniska Högskolan, Stockholm, Sweden, August 2008

American Mathematical Society Annual Meeting, Session on Functional Analysis and Analysis, New Orleans, January 2007

Complex Analysis Seminar, University of Cambridge, June 2006

Research Seminar, University of Cambridge, May 2006

Seminar on Function spaces, Friedrich Schiller University, Jena, Germany, December 2005

Miniconference on Analysis, University of Kentucky, Lexington, March 2002

American Mathematical Society Annual Meeting, Session on Functional Analysis and Operator Theory, San Diego, California, January 2002

Special year's conference on Complex Analysis, University of Michigan, Ann Arbor, October 2001

Special session on Topics in Geometric Function Theory, American

Mathematical Society Regional meeting, Chattanooga, Tennessee, October 2001

Colloquium, Florida State University, Tallahassee, Florida, March 2001

Session on Functional Analysis, American Mathematical Society Annual Meeting, New Orleans, Louisiana, January 2001

Colloquium, University of Kentucky, Lexington, Kentucky, November 2000

Special session on Differential Operators and Function Spaces, American Mathematical Society regional meeting, Birmingham, Alabama, November 2000

Colloquium, Virginia Tech-Virginia Polytechnic Institute and State University, Blacksburg, Virginia, September 2000

Session on Functional Analysis, American Mathematical Society Annual Meeting, San Antonio, Texas, January 1999

Seminar, Luleå University of Technology, Sweden, December 1999

Short communications in Analysis section, International Congress of Mathematicians, Berlin, Germany, August 1998

Special session on Banach spaces, American Mathematical Society Regional Meeting, Louisville, Kentucky, March 1998

Differential Equations, Spectral Theory, Function Spaces, Jena, Germany, October 1997

Meeting on Analysis, Technical University of Trondheim, Norway, May 1996

Seminar, University of Alabama, Tuscaloosa, Alabama, April 1995

Complex Variables Seminar, University of Michigan, Ann Arbor, November 1994

Analysis Seminar, University of Sussex, England, April 1993

Complex Analysis Seminar, University of Texas at Austin, Texas, March 1992

Summer schools for research students

The 3rd Nordic EWM Summer School for PhD Students in Mathematics, University of Turku, Finland, June 2009
Research experiences for undergraduates-program (National Science Foundation funded), University of Tennessee, Knoxville, June 2005
The First Nordic Summer School for Female PhD Students in Mathematics, Luleå University of Technology, Sweden, June 1996
