None	Any	<a href="#">Ministerstwo Nauki i Szkolnictwa Wyższego - Portal Gov.pl (www.gov.pl)</a>

**Why Come Here?** The Jagiellonian University is the oldest higher education institution in Poland and one of the oldest in Europe. Today, the University comprises 16 Faculties, where nearly 4 thousand academic staff conduct research and provide education to almost 40 thousand students, within the framework of more than 150 different fields of study. Eminent researchers and state-of-the-art infrastructure make the JU one of the leading Polish scientific institutions, collaborating with major academic centres from all over the world. The Jagiellonian University is also home to numerous student research societies, where young researchers pursue their academic interests and develop friendships with people who share their passion.
