\* In Agrotechnology you need to select 1 x 15 cr module out of two alternative modules:  
 1. If you aim to complete your MSc thesis in environmental technology in agriculture, please select the module **AGRI-140** Environmental Technology in Agriculture (15 cr). Please also discuss about the module selection with your supervising PSP teacher. You can include the second alternative agrotechnology module in optional modules (0-30 cr) as well.  
 2. If you aim to complete your MSc thesis in agricultural engineering, please select the module **AGRI-150** Agricultural Engineering (15 cr). Please also discuss about the module selection with your supervising PSP teacher. You can include the second alternative agrotechnology module in optional modules (0-30 cr) as well.
