

# Finnish Centre for Laboratory Animal Pathology (FCLAP)

UNIVERSITY OF HELSINKI  
FACULTY OF VETERINARY MEDICINE

## Laboratory Charges

(June 2015)

Service	Unit	Charge (€)	Comment
<b>Necropsy</b>			
Mouse, rat: Full necropsy for phenotyping or general assessment, including report <sup>1</sup>	Animal	20.00	The price does not include histology or any other further tests.
Mouse: Selected organ sampling	Animal	5.00 -15.00	
Other animals	Animal	TBD <sup>3</sup>	Diagnostic pathology prices apply.
<b>Histology processing</b>			
Trimming for embedding	Tissue	2.00	Charges apply for fixed tissues submitted to the lab for processing.
Decalcification (routine)	Tissue	1.50	
Decalcification (EDTA, for IH)	Tissue	10.00	
Embedding incl. HE section	Cassette <sup>2</sup>	5.00	Prelabelled cassettes can be provided to allow trimming of tissues for submission.
HE section (additional level, recut, duplicates)	Cassette	2.50	
Unstained sections (not CAG, polylysine, Plus)	Slide	1.50	
Unstained sections (for IH/ISH; on polylysine, Plus)	Slide	2.00	
Frozen sections	Tissue	10.00	Up to 5 sections
<b>Special stains</b>			
Alcian Blue, Alcian Blue PAS, Congo Red, EVG, Giemsa (Parasite Giemsa, May-Grünwald-Giemsa), Gram, WVG, PAS [+/- diastase], Perls, Steins for bile, Trichrome, Toluidin Blue, Ziehl-Neelsen	Cassette	4.00	Selection is not in- or exclusive and additional special stains can be established upon request.
Cresyl Violet, Grocott, LFB, LFB Cresyl Violet, Masson Fontana, Reticulin, Rubeanic Acid, von Kossa	Cassette	5.00	
Sudan Red (for fat; frozen section)	Fixed tissue	14.00	
Warthin-Starry	Cassette	16.00	
<b>Immunohistology (IH)</b>			
Routine protocols	Cassette	12.00	Includes a negative control slide
<b>Transmission Electron Microscopy (TEM)</b>		Samples are processed by the Electron Microscopy Unit, Institute of Biotechnology. For charges and submission, contact <a href="http://www.biocenter.helsinki.fi/bi/EM/">http://www.biocenter.helsinki.fi/bi/EM/</a> .	
Embedding	Tissue		
Semi-thin sections, ultrathin sections	Block		

<sup>1</sup>For cases which need extensive, specific interpretation, in particular in a scientific context, which are not part of collaborative work involving pathologists, additional consultancy charges will apply (€50/hour).

<sup>2</sup>A cassette can take more than one tissue. <sup>3</sup>TBD: Please contact FCLAP to obtain a quote.

Please submit your material to: Finnish Centre for Laboratory Animal Pathology (FCLAP)  
Faculty of Veterinary Medicine, Department of Veterinary Biosciences  
P.O.Box 66, Agnes Sjöbergin Katu 2  
00014 University of Helsinki

Please contact FCLAP prior to submission and to obtain prelabelled cassettes: [fclap-info@helsinki.fi](mailto:fclap-info@helsinki.fi).

For urgent matters, please call the lab at: 02941 57085.
