LIST OF REQUIRED DOCUMENTS

Please note that the points relevant to you vary based on your personal situation and nationality, for instance. If you have any questions, please contact the HR services or the official/service provider in question.

Please note that all documents should be in Finnish, Swedish or English. If they are not, they should be translated by an official translator.

IMMIGRATION

All residence permits and EU registrations are handled by the Finnish Immigration Service MIGRI. It is recommendable to apply for the first residence permit already before arriving to Finland, at a local embassy. For more information visit www.migri.fi

RESIDENCE PERMIT (NON-EU CITIZENS)

For researchers:

- filled-in application form (OLE_TUT: see here for details, electronic application system available here).
