

FACULTY OF SCIENCE

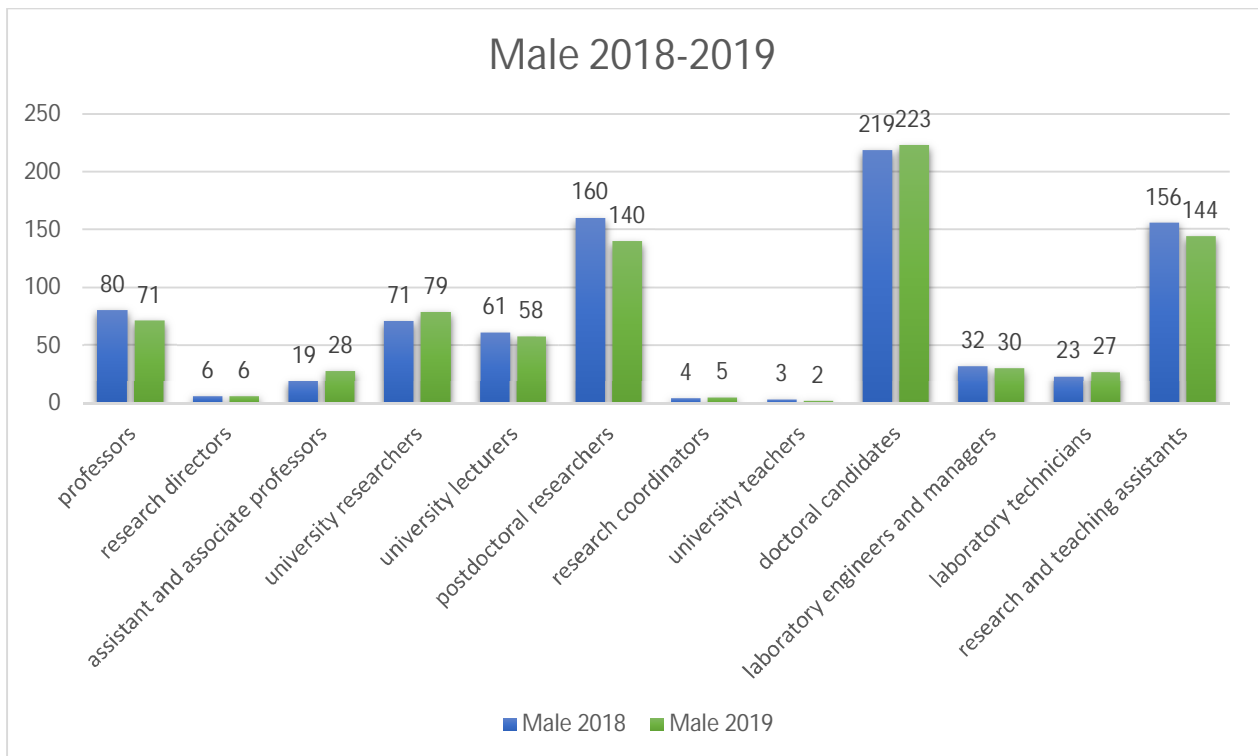

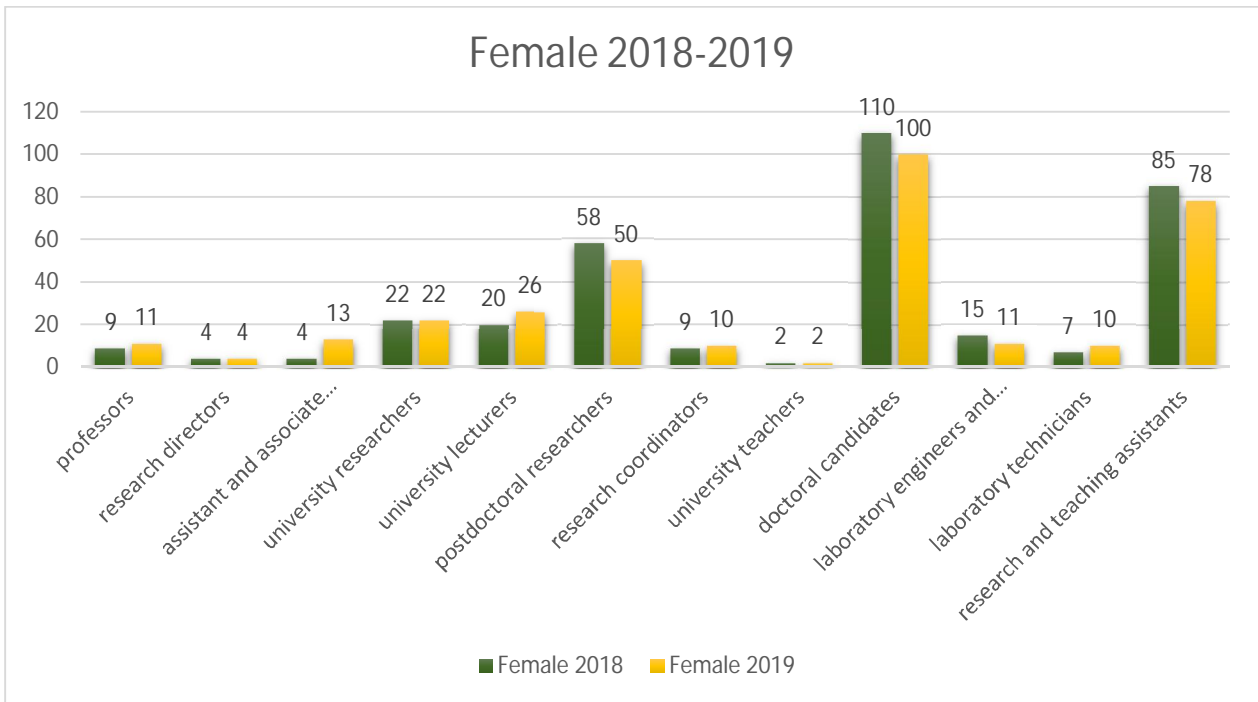

STAFF BY GENDER

The total amount of staff employed by the University at the Faculty of Science is 1174 (March 2019). The graphs below show the distribution of staff in different occupational groups. The graphs do not include support and expert staff (for instance administration staff in projects and IT staff) so the amount of staff is 1150. 813 of them are men and 337 women. The ratio between genders is exact the same as in year 2018: 29 % of the staff are women and 71 % are men.
