Verifin received the total of 34 valid applications out of which 16 participants were selected to participate in the course. Verifin sends its regrets to those who were not selected. Due to the travel restrictions caused by the corona pandemic, Verifin will arrange the course as a remote e-learning course via internet.

All candidates selected for the remote e-learning course will be invited for the next NACD-course in Finland which will be arranged when the corona pandemic is over and all travel restrictions have been removed.
